

DIRECTIONS FROM LARNACA AIRPORT TO BLUE ELECTRA, KAPPARIS:

Leave the airport and at the first roundabout turn left

Next roundabout go straight (follow the sign to Nicosia)

Next roundabout go right towards Nicosia and join Motorway A3

This is a straight highway all the way to Paralimni. Follow it right to the very end, passing signs for Paralimni and Ayia Napa along the way.

At the roundabout at the end of the motorway take the filter lane and turn left.

Follow this road for 2½ km, down the hill until you see an Esso filling station on the right. Turn right at the roundabout just after the filling station.

You will be able to see Paralimni Stadium on your left hand side. At the next roundabout continue straight on.

Continue on down the hill for another 2½ km until the traffic lights at the end of the road where you should take the filter lane and turn left.

After 2km you will pass the Laxia Tavern, and in another 500m you will come to Kapparis roundabout where you carry straight on. Look out for the elephant in the wall!

You are now coming into the Kapparis area; Look out for the Golden Coast Hotel on your right, Karas Tavern on your left, a supermarket on the right and Faliros restaurant on your left.

Take the first turn left after Faliros restaurant, alongside the Amore hotel, and in 100m take the first turn right. Blue Electra complex is directly ahead of you.

Take the second entrance (left) into the complex and turn right into the small courtyard. Allocated, covered parking is on the left, and the entrance to the apartment is through the archway ahead of you.
